PRIVACY POLICY

We know that your privacy is important to you and we strive to protect the confidentiality of your nonpublic personal information. We do not disclose any nonpublic personal information about our customers or former customers to anyone, except as permitted or required by law. We believe we maintain appropriate physical, electronic and procedural safeguards to ensure the security of your nonpublic personal information. ELIGIBILITY & COVERAGE

All fee-paying students of Mississippi State University enrolled at the Starkville campus, work-phase Co-op students, Doctoral students writing their dissertation, exchange visitors, research scholars, and fifth year Architecture students are eligible for insurance coverage. All International students are required to purchase this insurance plan unless proof of comparable coverage is furnished.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, Internet, and television (tv) courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate student status and attendance records to verify that the Policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the spouse and unmarried children under 19 years of age who are not self supporting. Dependent Eligibility expires concurrently with that of the Insured student.

Alternative Coverage - If you do not meet the Eligibility requirements of this student policy, please call 1-800-406-2338 for information on alternative coverage. You may also access information on this plan, get premium quotes, and apply on-line at our website: www.SecureNowInsurance.com.

EFFECTIVE AND TERMINATION DATES

The Master Policy becomes effective August 23, 2006. Coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates August 22, 2007. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

You must meet the Eligibility requirements each time you pay a premium to continue insurance coverage. To avoid a lapse in coverage, your premium must be received within 14 days after the coverage expiration date. It is the student's responsibility to make timely renewal payments to avoid a lapse in coverage.

Refunds of premiums are allowed only upon entry into the armed forces. The Policy is a Non-Renewable One Year Term Policy.

EXTENSION OF BENEFITS AFTER TERMINATION

The coverage provided under the Policy ceases on the Termination Date. However, if an Insured is Hospital confined on the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid so long as the condition continues but not exceed 90 days after the Termination Date.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit. After this "Extension of Benefits After Termination" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

MATERNITY TESTING

This policy does not cover routine, preventive or screening examinations or testing unless Medical Necessity is established based on medical records. The following maternity routine tests and screening exams will be considered, if all other policy provisions have been met. This includes a pregnancy test, CBC, Hepatitis B Surface Antigen, Rubella Screen, Syphilis Screen, Chlamydia, HIV, Gonorrhea, Toxoplasmosis, Blood Typing ABO, RH Blood Antibody Screen, Urinalysis, Urine Bacterial Culture, Microbial Nucleic Acid Probe, AFP Blood Screening, Pap Smear, and Glucose Challenge Test (at 24-28 weeks gestation). One Ultrasound will be considered in every pregnancy, without additional diagnosis. Any subsequent ultrasounds can be considered if a claim is submitted with the Pregnancy Record and Ultrasound report that establishes Medical Necessity. Additionally, the following tests will be considered for women over 35 years of age: Amniocentesis/AFP Screening and Chromosome Testing. Fetal Stress/Non-Stress tests are payable. Pre-natal vitamins are not covered. For additional information regarding Maternity Testing, please call the Company at 1-800-767-0700.
