

MSU Campus Resources

Your Score = _____

Risk Level	Feedback	Score
I	Your score indicates that at this time you seem to be making relatively low risk drinking choices.	0 - 7
II	Your score indicates that at this time you seem to be drinking in excess of low risk guidelines. You may want to consider meeting with a counselor to discuss ways to lower your risk and decrease negative consequences.	8 - 15
III	Your score indicates that at this time you are making high risk drinking choices that are causing negative consequences. It is strongly recommended that you meet with a counselor for further assessment.	16 - 40

GAIN Alcohol Program

662-325-2141

662-325-5510

The **Goal-driven Alcohol & other drug Intervention Network** was established to help MSU students learn more about making wise and safe alcohol choices. This program provides a feedback packet of important individualized alcohol use (i.e. - calories consumed, blood alcohol content, frequency and more).

Programs Available through MSU

Health Education & Wellness Department

TIPS - is a nationally recognized program designed to teach acceptable standards for alcohol serving, both at bars and private parties.

Gordie CASE - The HAZE film tells the story of Gordie Bailey who died from alcohol poisoning after passing out on a couch in his fraternity house following a hazing initiation at the University of Colorado.

Welcome to the Party - is an award winning program that addresses the dangers of sexual assault as related to alcohol use on a college campus via short film and discussion.

Health Education Alcohol program requests can be made online at www.health.msstate.edu/health

AUDIT

Alcohol Use Disorders Identification Test

A questionnaire to identify the risk level associated with your use of alcohol.

1 drink is equal to: 12 ounces of beer (usually 1 can or bottle) , 5 ounces of wine (1 standard wine glass) or 1.5 ounces of liquor (straight or mixed in drink).

Keep in mind some drinks such as a Long Island Ice Tea have 4 servings of liquor in one glass making it equal to 4 standard drinks.

Questions	0 Points	1 Point	2 Points	3 Points	4 Points	Score
1. How often do you have a drink containing alcohol?	Never	Monthly or less	2 to 4 times a month	2 to 3 times a week	4 or more times a week
